WARNINGS

04/11/2020

The Financial Services and Markets Authority (FSMA) warns the public against the fraudulent activities of Sotafin, a company that is offering credit illegally to consumers.

Sotafin is not authorized as a lender or registered as a credit intermediary in Belgium. **Therefore, Sotafin may not offer credit in Belgium.**

According to the information available to the FSMA, it seems that the credit being offered by Sotafin is **entirely fraudulent**. The company operates as follows: if a consumer tries to take up the offer, he or she is asked to make certain payments supposedly to cover various **costs** relating to the credit (for example, so-called dossier fees or an insurance premium). Once these costs have been paid, the consumer does not receive the credit, and it is almost impossible to recover the sums that were paid. More information about this type of consumer credit fraud is available in the [general warning](#) published by the FSMA on 4 November 2020.

The FSMA therefore very strongly advises against responding to any offers of credit made by Sotafin and against making any payment to the company.

Sotafin uses the websites www.sotafin.online and www.sotafin.be and the email address contact@sotafin.be.
