

Warning concerning a fraud scheme misusing the name of the Luxembourg authorised bank Fortuna Banque S.C. Luxembourg S.A.

The Commission de Surveillance du Secteur Financier (CSSF) warns the public of fraudulent activities taking place in France by misusing the name, the logo and the graphic design of the authorised Luxembourg credit institution Fortuna Banque S.C.

The fraudsters impersonating advisors of the bank use online loan comparison websites to make contact and to offer loans.

Fortuna Banque S.C. informed the CSSF that, as part of its lending activities, it does not offer any online file review but it meets the applicants face to face.
