

The *Commissione Nazionale per le Società e la Borsa* (CONSOB) Consob has ordered the blackout of **7** new websites that abusively offer financial services/financial products: 5 abusive financial intermediation sites and 2 sites through which financial products are offered without a prospectus.

The Authority availed itself of the powers deriving from the "growth decree" (Law no. 58 of 28 June 2019, article 36, paragraph 2-terdecies) regarding the blackout of the sites of abusive financial intermediaries, as well as the power introduced by Law no. 8 of 28 February 2020 (article 4, paragraph 3-bis), regarding the blackout of the site through which the abusive offer is made.

Below are the sites Consob has ordered to be blacked out:

- **"Pro Star"** (website [www.golden-cfd.com](http://www.golden-cfd.com));
- **"European Trade 24"** and **"Allegra TM"** (website [www.eustrade24.com](http://www.eustrade24.com));
- **Maginito Services Ltd** and **NBG Market (KI) Limited** (website [www.nbgmarket.com](http://www.nbgmarket.com));
- **"Mistertrader"** and **"Redfin Capital"** (websites <https://imrtrader.com> and [www.redfin.capital](http://www.redfin.capital));
- **Arbistar 2.0, S.L.** (websites [arbistar.com](http://arbistar.com) and [app.arbistar.com](http://app.arbistar.com)).

The number of sites blacked out since July 2019, when Consob got the power to order that the websites of fraudulent financial intermediaries be blacked out, has thus risen to **330**.

The measures adopted by Consob can be consulted on the website [www.consob.it](http://www.consob.it).

The black-out of these websites by internet service providers operating on Italian territory is ongoing. For technical reasons, it can take several days for the black-out to come into effect.
