

The *Commissione Nazionale per le Società e la Borsa* (CONSOB) has ordered the black-out of **6 new websites** that offer financial services illegally.

The commission availed itself of the new powers resulting from the “Decreto Crescita” (“Growth Decree”; Law no. 58 of 28 June 2019, article 36, paragraph 2-*terdecies*), on the basis of which Consob can order internet service providers to block access from Italy to websites offering financial services without the proper authorization.

Below are the sites Consob has ordered to be blacked out:

- **“247ProTrade”** (website www.247protrade.com);
- **ItalianTrades Limited** (website www.italiantrades.com and its page <https://webtrader.italiantrades.com>);
- **Eufm Ltd** (website <https://eufm.eu> and its pages <https://client.eufm.eu> and <https://webtrader.eufm.eu>);
- **“Fusion Fx”** and **“Fusion-Fin”** (website www.fusion-fin.com);
- **Daxodeal Ltd** (website <https://daxodeal.com>);
- **Primer Tech International Holding OÜ** and **Magnates Trade** (website www.magnatestrade.com).

The number of sites blacked out since July 2019, when Consob got the power to order that the websites of fraudulent financial intermediaries be blacked out, has thus risen to **640**.

The measures adopted by Consob can be consulted on the website www.consob.it.

The black-out of these websites by internet service providers operating on Italian territory is ongoing. For technical reasons, it can take several days for the black-out to come into effect.
