

The commission availed itself of the new powers resulting from the “Decreto Crescita” (“Growth Decree”; Law no. 58 of 28 June 2019, Article 36, paragraph 2-*terdecies*), on the basis of which Consob can order internet service providers to block access from Italy to websites offering financial services without the proper authorisation.

Below are the sites Consob has ordered to be blacked out:

- **Binetrix** (<https://binetrix.com> website);
- **Bitbinx** (<https://bitbinx.com> website and its <https://trade.bitbinx.com> page);
- **E-trade** (<https://www.e-trade.cc> website and its <https://client.e-trade.cc> page);
- **The Active Trades Ltd** (website <https://theactivetrades.com>);
- **FX Modex** (<https://fxmodex.com> website and its <https://client.fxmodex.com> and <https://webtrader.fxmodex.com> pages);

The number of sites blacked out since July 2019, when Consob was given the power to order the black-out of websites of fraudulent financial intermediaries, has thus risen to **919**.

The measures adopted by Consob can be consulted on the website [www.consob.it](http://www.consob.it).
