## **WARNING**

The CSSF draws the attention of the public to the fact that pictures of branches of the duly authorised credit institution incorporated under Luxembourg law, Banque et Caisse d'Épargne de l'État Luxembourg, are fraudulently used on social media such as Facebook, in advertisements for financing and investment offers, including granting loans to private individuals. It should be noted that Banque et Caisse d'Épargne de l'État Luxembourg is not related to these fraudulent websites.
