Warning regarding 8888markets

It has come to the attention of Finansinspektionen (FI), the Swedish Financial Supervisory Authority, that persons claiming to represent 8888markets are offering Swedish investors to trade with securities.

FI has investigated the matter and has not been able to determine that 8888markets is a going concern. 8888markets is neither authorised by FI to conduct securities business or other financial services in Sweden nor under FI's supervision. FI has not received any notification of cross-border activities from other EEA countries. 8888markets is also not authorised to provide financial services according to the supervisory authority of the country in which the company claims to be domiciled.

FI warns investors and others about doing business with firms that are not authorised to offer financial services. The list of companies authorised to offer financial services can be found at www.fi.se under Company Register.

8888markets has a website (www.8888markets.com) and is using the following contact information:
